Dear Mr. Stewart:

As requested in your letter of 28 July 1947 to the Office of Collection and Dissemination, OIC, I am enclosing a report on Foreign Radio Comment on American Civil Rights to supplement the FBIR material you previously received through OIC.

You will note that most of the comment comes from the Soviet radio and that it does not alter the pattern indicated in our first report on the subject. We have alerted our monitoring and editorial staff for any additional material that may appear in foreign broadcasts and will send you additional items as they are received during the current week.

Very truly yours,

STATINTL
